## Who We Are

-by Pastor Venessa

**VH Ministry was born on the unction of the Holy Spirit in March 2012. The foundation and cornerstone of this ministry is Jesus Christ Himself and by His command this ministry was started and based on the last chapters of the four gospels.**

VHM is inter-denominational and strive to advance the Kingdom of God through teaching and conferences. We started with a home cell group and currently we are running full time on the web, teaching the children of God the deeper insights of the Word of God, no matter of background or denomination.

We believe that God is One and the unity between a man and a woman, the family life, that Jesus Christ is the Son of God and the way to the Father, the baptism of those who came to the faith in Jesus Christ, the second coming of Christ and the resurrection of the dead.

We also believe that the Word of God was inspired by the Holy Spirit.

*If we cannot stand together, but are divided and live for our own purposes, we will fall.*

*If we are united in Christ and live for His purposes, we will run the race, and finish in glory.*

## December 2020

We ended November with a women's conference and send them off to December with hope and anointing. God truly searched hearts and touched women in this conference.

Women were set free and others received their answers.

We will keep on hosting women's conferences as the Lord God Almighty directs us.

Bless all of you who attended and a very big thank you to:

## Be a Part Of:

As part of our yearly gift towards a children's home, we decided to give a donation of R5000 to Shelanti Daycare Centre.

They take care of children with physical and mental disabilities.

I visited the centre myself and we did a recording for Kruiskyk as well and truly these people go the extra mile for the children as well as parents.

God bless you.

It is a busy time of year during January when new students come on board and old ones go to next level classes. We love our students and they become friends and not just a name in a class. Truly our Bible School is one big family where everyone is appreciated and loved.
